

Dear AMVETS Ladies Auxiliary Members,

The Department of Florida Auxiliary is excited to announce a special T-shirt fundraiser to support our Florida Delegation for the 2026 National Convention which will be proudly hosted right here in Orlando, Florida!

Proceeds from this fundraiser will help offset registration costs for our Florida members attending the convention. If additional funds are raised, they may also be used to support other delegation expenses.

Our National Convention Ways and Means Chair, Anna Elkins, will be overseeing this fundraiser during her one-year term. In addition to the T-shirt campaign, we'll also be holding raffles and offering other fundraiser items at our October SEC, February SEC, and June 2026 Convention.

We invite you to join us in supporting all of these efforts to ensure a strong, united Florida presence at the National Convention. Every purchase and contribution makes a difference.

Thank you for your continued support!

In service and unity,

Department of Florida Auxiliary

AMVETS Ladies Auxiliary 80th Anniversary **FUNDRAISER**
